

MAINTAINING THE HIGHEST STANDARDS IN LOCAL GOVERNMENT

- Are you a good listener?
- Are you inquisitive?
- Can you weigh up often conflicting evidence and reach an effective conclusion?
- Do you have a respect for others and an understanding of diverse ethical issues?
- Do you have integrity and good character?

If the answer is "yes" to the above, you may be just the person we are looking for to fill one of the vacancies that we have on the Council's Standards Committee.

The Council is looking for independent members to serve on its Standards Committee from May 2010.

The Council, through its Standards Committee, is committed to maintaining and promoting the highest possible ethical standards of conduct within the Council. In particular, the Committee monitors the operation of the Members' Code of Conduct, arranges training on the Code, and is responsible via its Sub Committees for conducting local hearings into alleged breaches of the Code.
